Shed & Summerhouse Decorative felt shingles Information & Maintenance

UK Garden Buildings use BARDOLINE asphalt shingles, The asphalt shingles are available in a choice of four colours Red, Brown, Green and Grey/Black. They are also available as an upgrade on some of our sheds and summerhouses.

The BARDOLINE asphalt shingles are AA fire resistant and are manufactured using specially formulated bitumen asphalt, reinforced with glass fibres.

Asphalt shingles can be applied to various sized buildings giving a decorative finished to your garden room or making your shed that little bit more appealing to the eye.

Although BARDOLINE asphalt shingles are extremely durable certain environmental factors will effect its longevity.

UK Garden Buildings Ltd provide a twelve month guarantee against water ingress where Bardoline asphalt shingles have been installed.

It is good practice to to plan the initial position of your building to ensure nothing overhangs or fouls the shingles causing damage and wear whilst regular maintenance and removal of debris will also prolong the life of the shingles.
